DEEPDALE PRE-SCHOOL

CERTIFICATE OF SITE COMPLIANCE & ALLERGY SAFETY.

This is to certify that **Deepdale Pre-School** maintains full site compliance and staff training standards in accordance with statutory obligations under: BENEDICT'S LAW (Section 72, Children's Wellbeing and Schools Guidance & Primary Legislation)

ACADEMIC YEAR: 2026–2027

STATUTORY COMPLIANCE DECLARATION & SAFEGUARDING VERIFICATION

Deepdale Pre-School confirms that the following mandatory allergy safety and allergen management requirements are actively maintained on site:

1. MANDATORY ALLERGEN & ANAPHYLAXIS TRAINING • All relevant teaching, support, early years, and administrative staff have completed annual training in allergen recognition, cross-contamination prevention, and emergency response.

2. EMERGENCY ADRENALINE AUTO-INJECTORS (AAIs) • In-date, unassigned emergency Adrenaline Auto-Injectors (AAIs) are stocked, regularly inspected, and accessible within 5 minutes of any incident location on site.

3. INDIVIDUAL HEALTHCARE PLANS (IHPs) • Up-to-date Individual Healthcare Plans and tailored risk assessments are in place for all enrolled children with diagnosed or suspected food and environmental allergies.

4. STANDALONE ALLERGY SAFETY POLICY • A dedicated, published Whole-School Allergy & Anaphylaxis Policy is publicly available and reviewed annually.
